*Navajoland Nurses
United for Research, Service and Education*

*a legacy of Hózhó
for generations of nurses*

February 2025

Dear Potential Supporter:

It is our pleasure to announce N-NURSE will be hosting its Eleventh Symposium on Thursday and Friday, November 5-7, 2025 at the Indian Pueblo Cultural Center in Albuquerque, NM. This letter is to cordially invite you to participate in a Sponsorship opportunity for this unique nursing educational event titled,

*Bits'í yishtlizhii sáanii dóó alchíní bah á' dahwizaágo bits' íis bah'ahá yah
Indigenous Pathways to Maternal and Child Health*

N-NURSE strives to offer the best at its symposium by inviting speakers and workshop facilitators with expertise appropriate to the focus of the symposium.

N-NURSE promotes American Indian nursing students to participate in the symposium through its American Indian Student Nurse Symposium Scholarship Program*. The symposium provides an opportunity for Native nursing students to network, expand their knowledge of nursing as a career and build leadership skills.

The symposium will offer a unique opportunity to engage in meaningful dialogue bridging Indigenous and Western perspectives on maternal and child health wellness.

N-NURSE sincerely requests your support towards the 2025 symposium event to help us reach our goal of \$20,000. Sponsors will be recognized in the program and during the Honoring Feast. There are six levels to choose from for sponsorship opportunities, which range from \$700 (Black Jet level) up to \$5000 (Crystal level). Details of the six levels are noted in the Sponsorship Registration Form (attached).

We appreciate your time, consideration, and hope to hear from you soon. For further information please contact Barbara Overman at (505)238-5982 or info@n-nurse.org. Symposium information is available on the web site at <http://n-nurse.org>.

Sincerely,

Barbara Overman
Board Treasurer/Secretary
N-NURSE, a 501(c)3 non-profit organization.

**Nursing programs in the Four Corners Region are asked to nominate 2 American Indian Student Nurses to attend the symposium supported through this scholarship program.*
