Indigenous Pathways to Maternal and Child Health

The symposium offers a unique opportunity to engage in meaningful dialogue bridging Indigenous and Western perspectives on maternal and child health wellness. Participants will embark on a transformative journey along the Diné Pathway of the Sun, guided by Indigenous leaders who excel in clinical care, environmental stewardship, and policy advocacy.

program and event details will be posted on N-NURSE Web site <http://www.n-nurse.org>

Participants will:

Examine social, environmental and structural determinants of maternal and child health.

Strategize to leverage practice, cultural, and policy approaches to achieve cultural safety and justice in maternal child health.

Engage in dialog and mentorship to understand justice imperatives for Improving indigenous health.

Reflect and evaluate pathways to reconciliation in health for indigenous families and communities

Continuing Education Units will be awarded to attendees
